Dear Bill and Doug:

I understand that your side unilaterally canceled the deposition of our 30(b)(6) witness at the last minute. Ron Lemieux had already traveled across country for that purpose. I don't understand this type of litigation conduct coming from anyone, particularly from two lawyers whom I count as friends and colleagues. This latest episode confirms that something is broken in our relationship and must be fixed. I know you have complaints as well. Let me know when and where you two will make yourselves available for Ron Lemieux and me to meet and cure these problems. I am embarrassed for all of us that they persist.

Respectfully,

Otis Carroll
